## Important Notes:

~Our school will be having a Pajama Movie Party on Dec 20<sup>th</sup>. We will also have games and fun activities in our classroom that day. Most students have done great earning their punches for great choices, and our hallways are looking festive! (see our door at right.) It has been a wild past 2 weeks with our snow days, but students have been doing great at being flexible.

**Reading:** Next week we will take a break from our reading series and read some great Christmas stories! We will be discussing challenges in the stories and plot. For our short week after break, we will be reading a story called Rosa and Blanca.

**Spelling:** Although we had a short week, we took our test today. Depending on how students did we will work on compound words next week. Words will be basketball, bathtub, someone, backyard, weekend, driveway, something, bedtime, birthday, raindrop, riverbank, mailbox. There will be no new words for the two day week after break, but we will finish up compound words if needed.

**Math:** Next week we will spend the week practicing some of different subtraction skills, including adding distances between two numbers to subtract 2-digit numbers. (This skill helps push students toward being able to solve problems using mental math.)

**Language/Writing:** We have been continuing our Explanatory Writing by creating a writing piece for the hall. Next week, we will finish up our Possessive Noun unit. (hopefully!)

**Science:** We continued doing coding activities this week, as it was Computer Science Education Week. Our 2<sup>nd</sup> grade class joined millions of other students in coding activities during the Hour of Code week.
