**Important Notes: Don't forget to turn in February Book It logs! March logs are going home today- March is the last month for the Book It program, so Reading month is a great opportunity to turn in those logs!**

**There will be NO snack calendar for March. Your generous Feb snack donations will last for the whole Month. 😊**

**Reading:** Next week will be a unit review week. We will be discussing characters and how they respond to challenges. We will then take our Unit 4 test later in the week.

**Spelling:** Students will have a week off from Spelling words! Instead of having a new list, we will be reviewing old patterns, as well as discussing how words with the same sounds are not always spelled the same.

**Math:** This week we worked on 3-digit place value. We started 3-digit addition, and will continue this next week. We will also start learning 3-digit subtraction.

**Language/Writing:** This week we continued determining whether or not a word is an adverb or adjective and we will finish this next week. For writing, we will be practicing writing to respond to an article.

**Social Studies/Science:** Next week we will finish our unit on Matter. This week we talked about inventing new products and how new materials are still being created. We also did an activity where we tested different candies in hot water to see which ones melted and changed to a liquid.

## Upcoming Dates:

### Next Week's Reading Month Days:
